Log into your MyHealth account using your DU ID and MyDU password.

Click on Appointments (on the left side bar)

You will need to complete any clinical questionnaires listed with your appointment then click “Appointment Check In”

MyHealth will ask you to identify which state you are connecting from then click ok.

Surveys may be issued related to your appointment. You will have 2 hours from your check-in time to complete any appointment related surveys. You will find them under Survey Forms (on the left side menu).

MyHealth will display the appointment status and provide a link to “join the meeting”.
