2026-27 Service Fee Breakdown

www.du.edu/hcc

As the HCC begins accepting external insurance plans this school year, direct service costs to students will vary based on their coverage plan and annual usage (such as deductibles and out-of-pocket maximums).

The table(s) below summarizes basic cost categories for some, most common charges of this type. Please visit our [Service Fee webpage](http://www.du.edu/hcc) for full explanations: www.du.edu/hcc > Insurance & Fees.

Payment is expected at the time of service (end of the appointment). Students may also receive an invoice for services that were not billed at the visit (such as laboratory tests). If billed to insurance, ultimate costs to students may also depend on your usage and plan's annual deductible and out-of-pocket maximums.
